

GO GREEN DECOR

Globe Services and Solutions

Hello,

Meet Kavita Gulati

Landscape Designer and CEO

With 17 years of experience in hospitality, corporate and non-profit organisations, Kavita has turned her unique set of skills and abundance of knowledge into her profession.

Having worked with plants and gardens since her childhood in Goa, Kavita has managed to reap 4 years of experience and excellence in professional landscaping in various industries and locations all over the country.

A photograph of a lush garden with a stone staircase leading up to a building. The garden is filled with various plants, including large green leaves and red flowers. The building in the background has a sign that says "EDDOT" and a number "25A". The overall scene is vibrant and green.

Our Roots

Our roots go back to the red soil of the ever-changing landscape of Goa. Our humble beginnings, backed with consistent hard work and the trust of our stakeholders, led to a path of delivering the highest-grade of landscaping, gardening, and beautification services.

We are not only dedicated to the aesthetic appeal of our clients' spaces, but also the functional capabilities of our products, ensuring maximum client satisfaction. As a young company, we offer fresh perspectives and youthful, yet experienced opinions on both, modern and classical designs.
